Arbor

Retreat on Whidbey Island

Whidbey Island is so near, and yet so far away, at the same time. It is a short distance from Canada and downtown Seattle yet when you reach the Island you can enjoy two lane country roads, no glaring street lights, friends at every turn, and the comforts we provide at The Arbor Retreat.

If you're on a personal, or group retreat, **The Arbor Retreat has been especially designed for your needs.** You can be entertained by the sound of quiet and the whisper of the trees, as you unwind from your daily life and enjoy this special environment.

For our individual overnight guests, **buffet continental breakfast** is served in the main eating area that has a delightful view into the woods. The open kitchen is right next to the eating area, making it easy for groups that reserve the entire retreat, to prepare and serve their food.
